

Chief Physician **Dr. Basil Yousuf**

He completed his Bachelors in Homoeopathic Medicine and Surgery from Government Homoeopathic Medical College Trivandrum and Calicut. After which he earned a Certificate in Geriatrics from National Institute of Social Defence, New Delhi. Later on, he completed his post Graduate Diploma in different streams like Yoga, Naturopathy and Acupuncture.

Presented various papers in renowned International seminars, including TCAM conference held at World Trade centre, Dubai. How to ensure results by fusing Homoeopathic medicine with different therapies, was the topic.

He writes columns in different newspapers and health journals, also offered service in the Health page of the Suprabatham Daily News paper. He gives health lectures to public through Radio, TV and Social Media platforms like YouTube, WhatsApp, Facebook etc.

He was honoured with the Young Emerging Doctor Excellence Award on the occasion concerning 40 years service accomplishment of Dr.V.P.M ASHRAF (Pathappiriyam), a patriarch of Homoeopathy.

What Makes Our Hospital Unique?

● ADMIT FACILITY

The first Homoeo Hospital with Admit facility and IHRC Accreditation.

● COMPUTERISED TREATMENT METHODOLOGY

Medicines and diseases are diagnosed with the help of European software. Most suitable medicines are suggested for your disease by the process of Reportorisation.

● NO NEED OF SURGERY

We are contented in giving good results without operations for the lakhs of patients suffering from Piles, Fissures, Fistula, Allergy, Asthma, Migraine Headache, Knee Pain Etc.

● GERMAN MEDICINES

We are using imported potency medicines from Germany - the motherland of Homoeopathy

● IHRC ACCREDITATION

The first Homoeo Hospital, accredited by 'Indian Homoeopathic Research Center' (IHRC) in India

● COMBINED TREATMENTS

United treatment from different streams like Homoeopathy, Psychology, Acupuncture, and Physiotherapy.

Biggest Gynaecology Department in India

Service of 32+ specialist doctors including the doctors who have published international essays on various topics in medical science. Each patient will be assessed by a panel of doctors before treatment.

Ministering Patients Is Worship For Us

- Our goal is to provide the best treatment to patients. Service is our only priority rather than money. We provide free Medicine and treatment for people with Financial Difficulties, Orphans, Differently-Abled persons, and Widows.
- Money or gifts from any Medical Companies, Labs, or Scanning Centres are not accepted here.
- We provide free Home visits and treatment to those who are bedridden, paralysed etc.

Largest Online Homoeopathic Hospital in India
